

REMARKS

Favorable reconsideration and allowance of the present patent application are respectfully requested in view of the foregoing the following remarks.

Claims 35-58 are presently active in this case. The present Amendment indicates that claims 1-34 have been canceled.

NOTICE OF NON-COMPLIANT AMENDMENT

The Notice of Non-Compliant Amendment mailed July 1, 2005 states that a complete listing of all of the claims is not present. Pursuant to that, claims 1-34 are now shown with the status identifier of "canceled", indicating that claims 1-34 were canceled in a previous amendment. Thus the present amendment is now in compliance with 37 CFR 1.121 as having a complete listing of all of the claims.

CONCLUSION

In view of the foregoing amendment and remarks, it is respectfully submitted that the application is in condition for allowance. A Notice of Allowance for Claims 35-58 is earnestly solicited.

If the Examiner believes that any additional changes would place the application in better condition for allowance, the Examiner is encouraged to contact the undersigned attorney, at the telephone number listed below.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this, concurrent and future replies, including extension of time fees, to Deposit Account 50-3136 and please credit any excess fees to such deposit account.
